March 26, 2021

Dear Clinton Community Schools Families:

As Covid-19 cases continue to rise in our state and Lenawee County, The Clinton Community Schools will move to remote learning for grades 9-12 beginning March 29, 2021. High School students will remain in remote learning from March 29, 2021 through April 1, 2021. The Clinton Community Schools will be on Spring break from Friday, April 2, 2021 through April 11, 2021.

Face to face learning for the High School will resume on April 12, 2021. Please refer to Mr. Beazley's weekly update regarding the testing schedule for the week of April 12, 2021 - April 16, 2021.

We will continue face to face instruction for pre-K - 8. The plan is to continue face to face instruction for pre-k- 8 through April 1, 2021 when the Spring break begins. We will continue to monitor local information from the Lenawee County Health Department and evaluate our pre-k -8 on a daily basis as we have had to do all year.

The district has had some recent positive cases of COVID-19 and a number of staff, students, and family members on quarantine. With guidance from the Lenawee County Health Department, students or staff who have been considered close contacts have been requested to go into quarantine for a minimum of 10 days.

We want to be clear that we are making these changes out of an abundance of caution We are appreciative of the support and cooperation we have been receiving from our families all year as we have had to implement our extended learning plan protocols including completing health forms.

We are also very appreciative to our Clinton staff who have been working diligently and proactively to keep our district safe and open for face to face learning as much as possible.

To recap the schedule of changes:

Monday March 29, 2021 through Thursday April 1. 2021 CCS Pre-K-8 Students will be able to attend face to face if they have been already.
