Went over the spreadsheet handed out by Kelly and Steve and also went over the design for the new high school. We are taking all the fund balance to get things down to 22 % to get all the things in the bond hopefully trying to get all done for the bond. Talk about the square footage price.

Mike gave an update on Negotiation Status with all groups.

All board members were present for this workshop that started at 4:30 pm and adjourned at 6:15 pm.
