What have you worked on?

Goals

The what – direction Board

How – the work needs to be reported out regularly

Are missing areas

Area that still need work

One goal needs 5-7 objectives

Do we need to change or to combine goals

Foresight long-term

Need to have a report out frequency and method

Is there progress on goals

Action planning – not one person to report out all time

Lunch

Staff joined

Got staff in put on the goals & objectives

Superintendent to send out the google doc after getting completed
