Parental Notice of Right to Know Teacher Qualifications

As required by the federal Elementary and Secondary Education Act (ESEA), parents of students in Title I schools have the right to request information regarding the professional qualifications of their child's classroom teachers and paraprofessionals. This includes, but is not limited to, details about the teacher's certification, degrees, and any additional qualifications.

Additionally, parents may request information about their child's achievement and academic growth on state assessments, where applicable and available.

If you wish to request this information, please send your inquiry to the building principal. The principal will ensure a prompt response. For further assistance, you may also contact the Superintendent's office.

Thank you for your attention to this important matter.
