

Summer EBT is coming to Michigan!

During Summer 2024, eligible families will be able to receive money for select food items through the new Summer EBT program.

To receive the Summer EBT benefit, households may need to complete and submit the "Education Benefits Form".

If you have already completed this form during the 2023-2024 school year and have received an approval from your school for free or reduced meals, you do not need to apply again. You also do not need to apply if your family receives SNAP, TANF (Cash Assistance), or Medicaid.

SUMMER EBT BENEFITS CAN BE USED TO PURCHASE:

- Fruits and vegetables
- Meat, poultry, and fish
- Dairy products
- Breads and cereals
- And more!

If you have a new address, please reach out to your school at _____ to ensure they have the most up-to-date information.
