

Clinton High School

2023-2024

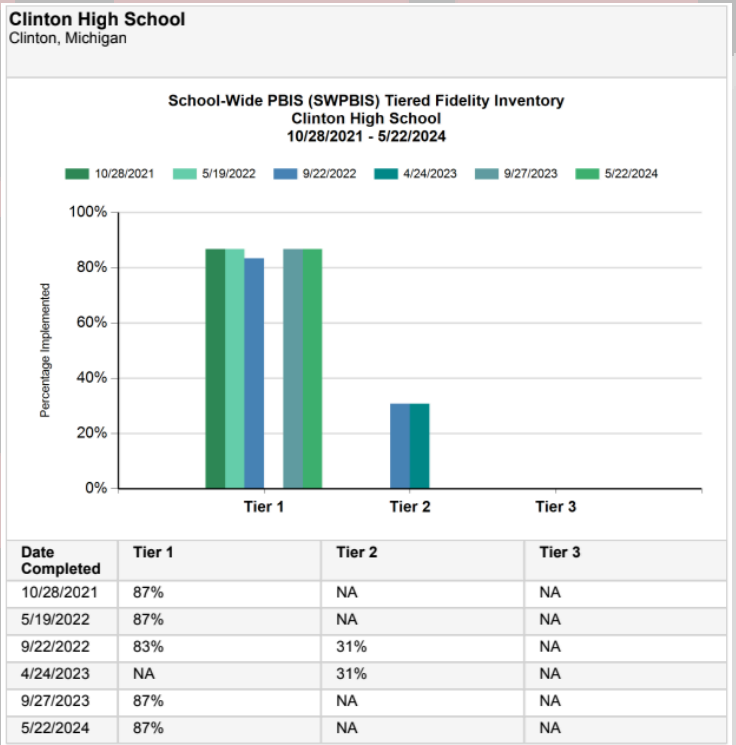

PRIDE Updates

This year the High School explored multiple new opportunities to further our PBIS system including:

- -PRIDE Whole-School Menu
- -PRIDE Popcorn Friday
- -PRIDE Cookie Wednesday
- -PRIDE Snack Cart (run by NHS)
- -Gold Card Trip - Toledo Mudhens

TFI Results

- This year we elected to focus exclusively on Tier I and reinvest our energy into making that foundation as strong as possible before returning to Tier II (a goal for 2024-25). As the staff becomes more critical of our program we elected to become more critical in some areas while growing in others, thus our score was steadfast at 87%.
- Action plans have been established for maintaining this as a base and growing into the 90%+ range for 2024-25

Opportunities for Growth:

- Re-Institute Tier II
- Begin to infuse “Blitz Days” for all staff to hand out more PRIDE cards (student surveys noted that many have not earned a card)
- Onboard a new parent member of the BIT team
- Reinvigorate PRIDE lessons into the school year
- Add the ODR flowchart to the handbook
- Kick the year off with the staff rollout presentation
